

Better health for employees, and businesses, made easy with Simplyhealth

Give your team fast access to the care they need – when they need it. Our affordable business health and dental plans are designed to help cut absenteeism, boost productivity and show your people you care.

Trusted by 12,000 businesses

Our commitment to affordability, accessibility, and quality care makes us a preferred partner for companies across the UK.

Offering a wide range of claimable benefits and our digital health services, a Simply Health Plan is here to support the health and wellbeing of employees and is designed to fit your budget

Access

24/7 access to online GP and nurse consultations, mental health support, and muscle and joint pain assessments

Digital services

Access to on-demand discounted and self-pay health and wellbeing services, from menopause coaching to neurodiversity assessments*

Easy claims

Employees can claim back towards everyday health essentials such as prescriptions, eyewear and dental*
